FOR IMMEDIATE RELEASE

OPEN HOUSE AT S.G.W.U.'s NEW HENRY F. HALL BUILDING

As part of Sir George Williams University's opening ceremonies, the new Henry F. Hall Building at Burnside and Bishop Streets will be open to the general public on Saturday, October 15.

Members of the Garnet Key, the University's honour society, will act as official hosts and guides to the public on this occasion. Tours of the 12-story 26-million dollar structure will leave every half-hour, beginning at 10:00 a.m. until 3:30 p.m.

A variety of special activities planned by the various Departments will be in progress throughout the day during the tours.

On display during Open House will be the full facilities of an efficient building which has no parallel elsewhere in Canada -- 10 auditoria ranging in size from 100 to 700 seats; 47 undergraduate laboratories of various sizes, 37 smaller laboratories for research and graduate work and other related facilities for the Natural Sciences and Engineering; a 350-seat theatre; Psychology laboratory, Sociology work-room, three language laboratories; Computer Center; Fine Arts studios and an art gallery; a dining area accommodating up to 1,000 at one time; 4 student lounges, a student government center and a spacious indoor campus.

During the 1966-67 session, Sir George will have a total enrolment of over 18,000 students. Open House will be the ideal opportunity for the public to appreciate the scope of the facilities available to the student in the largest university building in Canada.
